Certificate of Participation

This is to certify that **Potlapalli Jaya Vardhan** has successfully completed the requirements of the Online Internship Program in **Selecting the optimal initial cluster centroids in K-means clustering** organized by Rural Technology Action Group (RuTAG) at IIT Indore during **08/06/2023-10/08/2023**.

This certificate is awarded in recognition of their dedication, commitment, and active participation in the internship program. During the program, they have demonstrated a keen enthusiasm for learning and a strong work ethic, which reflects their determination to excel in their chosen field.

We commend their efforts and acknowledge their contribution to the internship, which will undoubtedly serve as a valuable experience for their future endeavors.

Date: 12/09/2023

Prof. Aruna Tiwari
